Did you know that the UIS Ticket Office is the ONLY authorized ticket seller for the UIS Performing Arts Center (Sangamon Auditorium) in Springfield?

If you or someone you know has purchased tickets from any source other than the UIS Ticket Office chances are.....

- You paid at least 2 to 3 times more than the face value of the tickets.
- You paid twice the amount of service fees.
- Your seat location may not be what you were quoted.
- UIS Performing Arts Center does not have a record of your transaction and is therefore unable to replace your tickets should they be lost or stolen. We cannot guarantee that your tickets are valid for entry.

Here are a few tips to assist you in the future with purchasing ticket to the UIS Performing Arts Center:

- Bookmark our web address: [www.UISpac.com](http://www.UISpac.com). This will insure that you are on the correct site. Fraudulent sites will pay to be listed in the top positions on various search engines (Google, Bing, etc.).
- Sign up to be a member of our UIS PAC email club that highlights events throughout the year and on a weekly basis. We do not list shows on our website until they are confirmed and announced. Sometimes dates are published on performers' and fans' web sites before everything is finalized with the venue. Most fraudulent sites will take this information and post it as if they are offering an exclusive promotion to lure customers to pay premium pricing for seats that are not really available.
